## Other Suggestions

- Interested in staging an event/exhibition during CRUSH. The CRUSH Festival is a Bundaberg Regional Council event celebrating regional arts. The festival runs for the month of October each year drawing together existing activities of the arts community and injecting new and exciting performances, workshops, exhibitions and screenings each year. To enquire about becoming apart of this exciting months of events please contact [shelley@creativeregions.com.au](mailto:shelley@creativeregions.com.au) or 07 4154 2359.
- Real Estate Agents are sometimes willing to lease vacant shop spaces on a short term basis. Community groups, non profit organisations and charities may be able to negotiate discounted leasing rates. 'Pop up' or temporary galleries and exhibitions are increasing in frequency around Australia, as artists are looking to keep their costs down by having a permanent online presence and staging pop up events/exhibitions in various locations.
