

WELCOME

Welcome to our October Edition of the BRAG Ed-Mag. This edition is out a little early as we wanted to catch you before the school holidays started.

In October we have a range of activities including art workshops, an exhibition opening, our major annual event the Sunday Art Market where you can get to meet artists from within our region, browse and buy art, enjoy food, drink and entertainment and yes there will be activities for the kids too.

Teacher and artist Deborah Nelson will finish this year's worth of professional development workshops for primary teachers with a workshop combining drawing and multicultural activities – don't miss it!
