SARAH IRONS - VOLUNTAIRE EXTRAORDINAIRE

Sarah Irons joined our volunteer team at BRAG in December last year and has, in a very short space of time, become a very valuable and popular volunteer. Sarah rolled up her sleeves and got involved in many aspects of BRAG. She works as a Reception Volunteer during the week and also as a Weekend Volunteer. Her involvement also extends to Installations where she helps with demounting and installing the exhibitions, and she works as a Function Assistant working at our Opening Nights on a regular basis. Sarah also volunteered to help with the Gallery Gift Shop sales in Gin Gin in April this year.

The staff at the Gallery really appreciate all of Sarah's wonderful help, commitment and involvement in every aspect of volunteering. Sarah's contribution is further confirmation of how valuable our volunteers are and how the Gallery couldn't run at our current active level without them. Sarah is a lovely, happy, positive and reliable volunteer who is always ready to jump in with a smile and help wherever needed. Congratulations and Thank You Sarah for your commitment and support!! You are truly a Voluntaire Extraordinaire!
